29th February 2016

St Patrick’s School
Working Bee

Dear Parents/Carers

On Saturday 5th March 2016, St Patrick’s school community will be holding a Working Bee. The focus of this Working Bee will be to trim plants, plant new plants and place new bark for the gardens.

Mrs Hawkes has been working in our lovely gardens and needs as much help as possible.

It would be appreciated if families from St Patrick’s could come along and spend an hour or two helping out.

Helpers are requested to bring their own equipment e.g.

- Hedge Clippers
- Wheelbarrows (Desperately needed)
- Shovels
- Garden rakes
- Mattock
- Buckets

The Working Bee will be from 8am – 12 noon. Morning tea will be provided.

Yours sincerely,
Mrs Anne Marrins
